

Introduction to Key Husch Wines

2006 Sauvignon Blanc - Estate Bottled, Mendocino County

Crisp, light, and clean -- this wine is everything that Sauvignon Blanc should be. With hints of citrus and subtle grass, this refreshing wine is a favorite with Husch fans who have been enjoying this wine since 1980!

2006 Chardonnay - Estate Bottled, Mendocino County

This elegant wine was blended from our cool Anderson Valley fruit along with fruit from our warmer La Ribera Vineyards along Mendocino's Russian River. The wine was barrel fermented and aged 8 months in oak. Aromas of pear and green apple lead to a mouth-filling richness and a refreshing, crisp finish. This wine is Husch's top selling varietal.

2006 Gewürztraminer - Estate Bottled, Anderson Valley

This wine starts with an amazing floral nose (including notes of rose petals, violets, and honeysuckle) followed by a surprisingly broad mouthfeel and a zesty finish. 0.8% residual sugar. Anderson Valley is one of the best locations in the world to grow Gewurz and this wine shows why.

2006 Chenin Blanc - Estate Bottled, Mendocino County

Floral aromas mingle with citrus flavors and zesty acidity in this semi-sweet wine (1.7% residual sugar). Perfect as an aperitif or picnic wine. A perennial gold-medal winner!

2005 Pinot Noir - Estate Bottled, Anderson Valley

Delicate and elegant, this Pinot Noir offers notes of red cherry, rose petal, and a overtone of spice. Husch crafted the Anderson Valley first Pinot Noir over 30 years ago and remains at the forefront of Pinot producers world-wide.

2004 Cabernet Sauvignon - Estate Bottled, Mendocino County

With an emphasis on fruit, juicy tannins and overall balance, this wine is delicious now and will age beautifully in the years to come. The wine offers appealing fruit aromas that lead to full mouthfeel and spicy finish.
