

Husch has seen several generations of family over the years and now the fourth generation is running through the winery. At age 9 Morgan Joseph (Mojo) isn't quite a full-fledged winemaker, but he is a favorite with the tasting room staff and visitors. It is no surprise that the Mojo Red has developed a loyal following: high quality estate bottled wine from a local producer at an affordable price is a growing rarity these days.

The Mojo Red is a Cabernet Sauvignon based wine that is affordable and ready to drink tonight. With the 2010 vintage we blended Cabernet Sauvignon (82%), Merlot (12%) along with a touch of Syrah and Pinot Noir. Approach this wine with high expectations; despite the price this wine is hand-crafted in small batches.

The 2010 vintage offers a deep violet color, aromas of boysenberry, cherry, with a hint of laurel and flint. Juicy flavors of mixed berries, pepper, and violet highlight the palate. The structure is firm, but not overwhelming leading to a pleasant, lingering finish. Enjoy with grilled steaks, pasta, pizza or your favorite burger.

Harvest Dates: October 13 – October 22, 2010

Sugar at Harvest: 23.1 – 24.9° Brix

Alcohol: 13.7%

Total Acid: 6.0 g/L

Cases Produced: 1251
